Thank you for your order!

Your invoice **Total** reflects the cost of all parts plus shipping and tax if applicable. The **Billed Amount** is a total of the transactions that have been billed to your credit card. Any items on backorder are not actually billed until they arrive from our vendor and are shipped to you.

Please examine the contents of each package carefully! Each carton has been carefully checked by our shipping department, but please examine each order against the invoice as you carefully unpack each item. We're working hard to get your order filled as quickly as possible. **Backordered items** You will not be charged for backordered parts until the part arrives from our vendor. Backordered parts received within 60 days of your order being placed will be automatically billed and shipped. If it's received after 60 days you will receive a call from our customer service department prior to shipping.

Drop Shipped items come directly from the manufacturer on their schedule as quickly as they can get them to you.

Damage or Loss claims must be filed with the shipper immediately - let us know so we can file the claim. Any part you find damaged upon delivery will have to be reported to a Customer Service Representative within 48 hours to guarantee processing promptly. Keep the original box and the parts for possible inspection by the shipper. Layson's Restorations Inc. will not be able to ship out a replacement until the damage claim has been reported to us and the shipper has agreed to inspect the box or to pay for damages.

Returns require a return merchandise authorization number issued by our customer service department at 877-930-4088. COD returns are not accepted. **No Returns After 30 Days.** All claims and returned goods must be accompanied by this invoice. **All sales final**, unless prior authorization is given. Upon arrival, **all returns incur a 20% restocking fee.** All **cancellations incur a 5% fee.** No parts used or broken will be refunded. No returns for electrical parts including wiring harnesses. Not responsible for improper use or installation of parts. 2% finance charge on all past due invoices over 30 days past ship date.
