NOTE: These carburetors are not legal for use in California on any pollution-controlled motor vehicle.

INTRODUCTION:

Holley Performance Products has written this instruction sheet for the installation of the **Model 4150 HP PRO-SERIES** carburetors. This instruction sheet contains all the information needed to install these carburetors. Please read all the **WARNINGS** and **NOTES**, as they contain valuable information that can save you time and money. Holley Performance Products cannot and will not be responsible for any alleged or actual engine or other damage, or other conditions resulting from misapplication of the carburetor described herein. However, it is our intent to provide the best possible products for our customer; products that perform properly and satisfy your expectations. Should you need information or parts assistance, please contact our Technical Service Department at 1-270-781-9741, Monday through Friday, 7 a.m. to 5 p.m. Central Time; please have the part number of the product you purchased when you call.

GENERAL INFORMATION:

- This instruction sheet cannot contain all of the information, which may be desired by some individuals. Further clarification is available in **HOLLEY CARBURETORS**, published by H.P. books and available at your Holley distributor (P/N 36-73).
- An in-line fuel filter should be installed between the fuel pump and the carburetor.
- Recommended fuel pressure should be set at 7-1/2 psi maximum, 5 psi minimum. Fuel pressures above 7-1/2 psi can create severe fuel control problems and are not recommended.
- Fuel lines should be a minimum of 3/8".
- A Non-restrictive open-element air cleaner kit is recommended (Holley P/N 120-102).
- The pump cam adjustment kit is available under Holley P/N 20-12.
- Sloss tubes for preventing fuel starvation during rapid acceleration are available under Holley P/N 122-5000.
- Vacuum secondary diaphragm springs (if applicable), which vary secondary opening, are available under Holley P/N 20-13. For additional parts and accessories, see the Holley Performance Parts Catalog.
